In order to receive a Qualifying score, a dog must acquire a minimum of not less than 5 on each of the categories of abilities (4 categories in Junior; 6 categories in Senior and Master) with an overall average score of not less than 7.0. "Advanced" titles require an overall average of not less than 8.0. When averaging scores, divide total in Junior by 4; divide total in Senior and Master by 6. Judges must agree on which dogs will qualify and will not qualify.
