

AKC Fetch Test Move-Up Form

Present this form to the AKC Fetch Test Secretary at least 30 minutes prior to the start of each trial.

- The club/host will clearly state in its premium list whether move-ups will or will not be allowed. If no statement is provided in the premium list, the default is to allow move-ups.
- A move-up from one test level to another test level (for example, Novice to Intermediate) may be requested if, according to the owner's records, the handler/dog are eligible provided the club/host offers move-ups. The dog must have passed twice under two different judges and two different event numbers to earn a title.
- The request for a move-up must be in writing and presented to the AKC Fetch Test Secretary at least 30 minutes prior to the start of the test.
- Clubs/hosts may choose to accept move-ups prior to the day of the Fetch test and this should be clearly stated in the premium list.
- Move-ups may be approved provided the class and judge are available, and the class has not reached its limit.
